ABOUT AAROHAN 2025

The **AAROHAN** International Maritime Conference (IMC) is a premier Platform Bringing together Shipowners, Charterers, Traders, NVOCCs, Ship Managers and Maritime training establishments from across the Globe. Set amidst the serene beauty of Dehradun, this event promises Insights, Innovation, and Networking Opportunities for all Maritime Stakeholders.

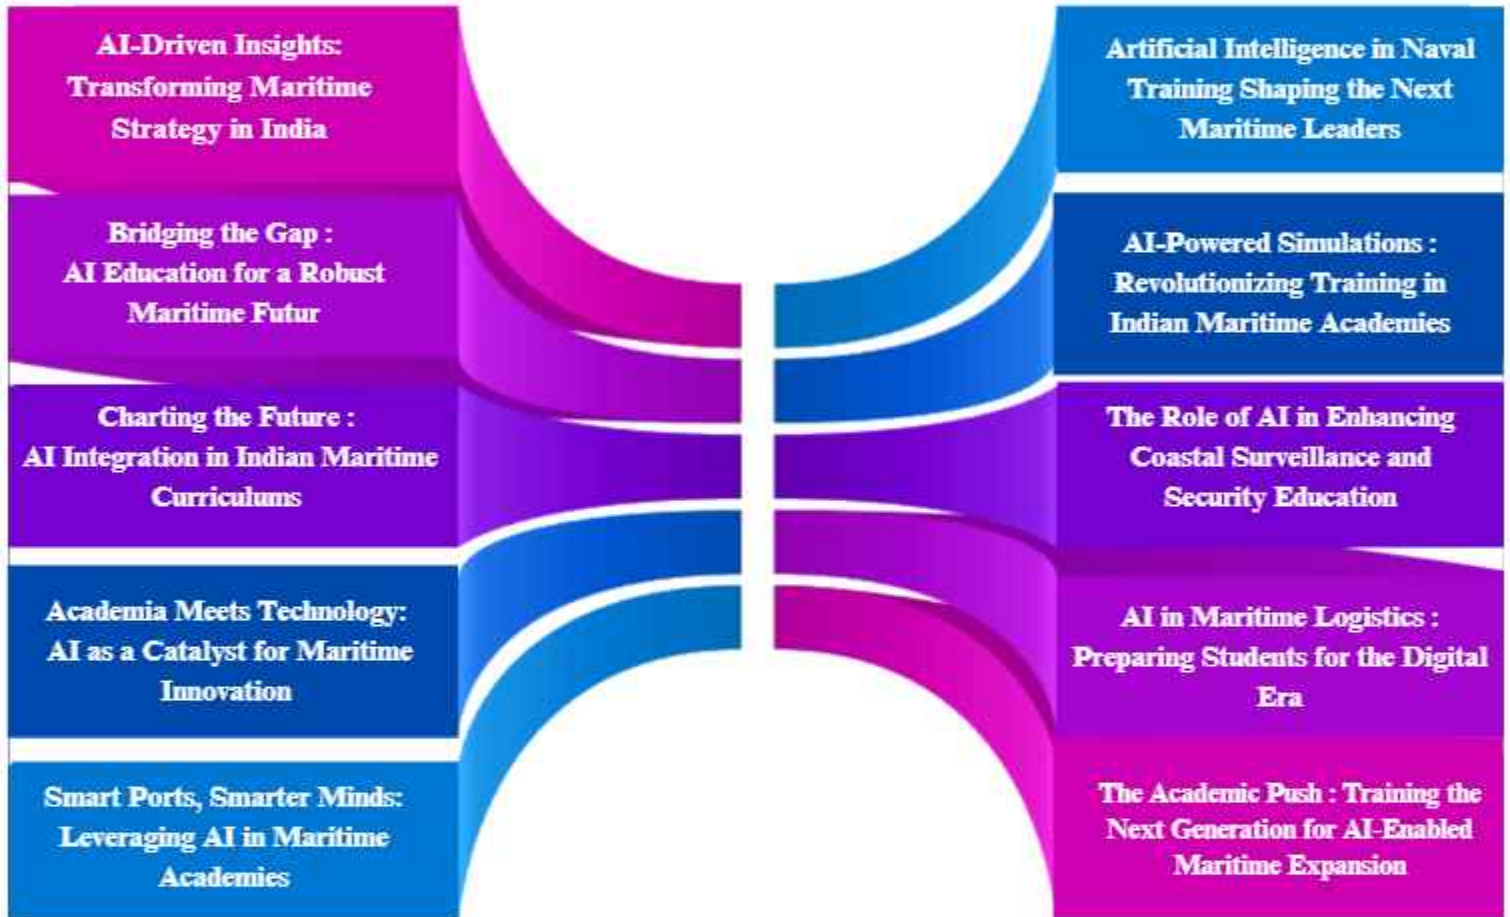

WHY ATTEND INTERNATIONAL MARITIME CONFERENCE 2025?

The International Maritime Conference (IMC) offers a unique platform to bridge the gap between academia and industry, focusing on the transformative role of AI in shipping. It brings together thought leaders, innovators, and educators to discuss cutting-edge advancements, real-world applications, and future trends in maritime technology.

Attendees can explore how AI is reshaping shipping operations, enhancing efficiency, and driving sustainability while fostering collaboration between academic institutions and industry pioneers to nurture the next generation of maritime professionals.
