International Maritime Conference & Awards
20th & 21st March 2026, Dehradun

Dynamic, Diversified, Inclusive —
Shaping the Future of Shipping

aarohan@theimehub.com / www.aarohanimc.com

ABOUT AAROHAN 2.0

Aarohan 2.0 unites the global maritime community in the Himalayas to shape the future of commercial shipping. This premier event brings together shipowners, charterers, operators, innovators, and policymakers for meaningful dialogue and collaboration. With participation from leading companies, universities, and startups, it's a hub for knowledge, networking, and digital transformation. Join industry leaders, seafarers, and students to explore trends, celebrate excellence, and advance India's role in global shipping.

WHY ATTEND INTERNATIONAL MARITIME CONFERENCE 2026?

- **Dynamic Themes:** New Energy Frontiers, AI, Digitalisation, Geopolitics, Ports, and Seafarer Welfare.
- **Innovation:** Hackathon + Ocean's 5 for Students & Startups.
- **Inclusive:** Academia, Mariners, Shipowners, Operators, Traders, and Technology Leaders.
- **Networking:** 250+ delegates from across India & global shipping hubs.
